

# Consumer Conversations

Created on Jan 16, 2023, 20:03 PM.

This custom field allows you to type your thoughts and comments about the analysis results. You may want to share these notes with your client or just save it for yourself to look at highlights in the future.

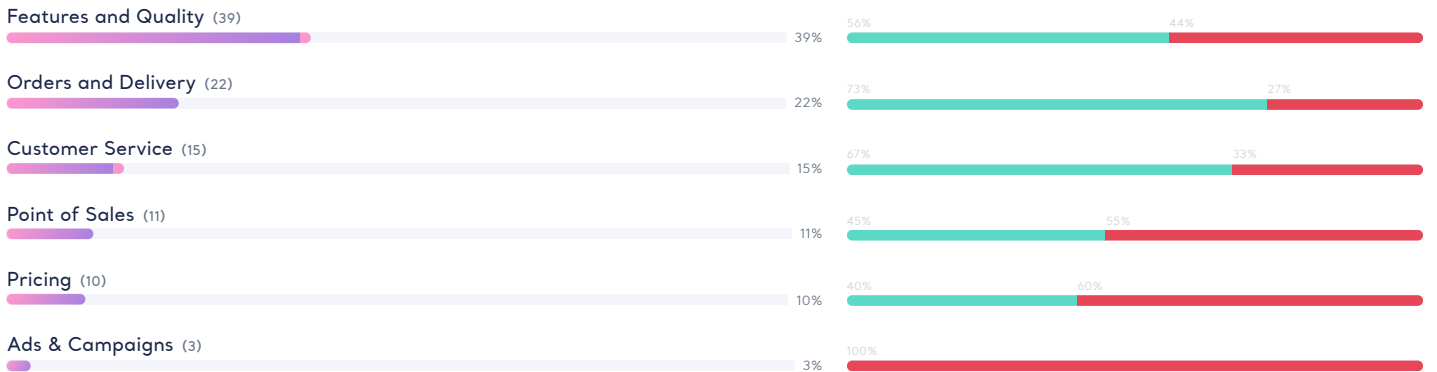

## Sentiment Classification (Consumer Sentiment Classifier)

Custom fields are also available for each classification. You can type classification-specific notes here, like which labels are dominant and what caused this in the given dataset.

## Common Consumer Conversation Classifier

Custom fields are also available for each classification. You can type classification-specific notes here, like which labels are dominant and what caused this in the given dataset.

## Featured Content

Despite the fact that it is pricey, **buying a new model of Tesla is well worth it!**

Positive Pricing

I like Huawei very much. Best **phone cameras** and performance

Positive Features and Quality

I recently bought another pair of Sony headphones two weeks ago, and I love **how easy they are** to use, I haven't had any issues with them. I also have had another pair for 2 years now, and they still look decent

Positive Features and Quality
